Applicants hereby petition the Commissioner under 37 C.F.R. §1.47 to accept the Declaration and Power of Attorney in the above-referenced application, in order to preserve the rights of the Applicants.

The Attorneys for the party, to which the Applicants have agreed to assign, have made a *bona fide* attempt to comply with the provisions of 37 C.F.R. §1.47, by attempting to contact the non-signing inventor, Mr. John S. - A telephone call placed to Mr. Bambini's last known residence on January 27, 2006; and
- A certified letter sent return-receipt requested to Mr. Bambini's last known residence via the United States Postal Service on February 7, 2006.

The delivery of the first email message and the certified letter have been confirmed. In support of this petition, attached is i) a copy of Mr. Bambini's response to the first email

message, which is dated December 18, 2006, and ii) a copy of the Receipt of Certified Mail, confirming delivery of the above-referenced certified letter. To date, Mr. Bambini has failed to execute the above-referenced application and return it to the party to which the Applicants have agreed to assign. Therefore, the Applicants petition the Commissioner to accept the Declaration and Power of Attorney in this application, in order to preserve their rights.

In compliance with the requirements of 37 C.F.R. §§ 1.47(a), the last known address of the non-signing inventor is as follows:

Mr. John S. Bambini

The fee set forth in 37 C.F.R. §§ 1.17(g) for filing a petition by other than all the inventors is \$200.00. A credit card payment form for this amount is enclosed herewith.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 06-1447. Should no proper payment be enclosed herewith, as by the credit card payment form being unsigned, providing incorrect information resulting in a rejected credit card transaction, or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 06-1447.

P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby petition the Commissioner under 37 C.F.R. §1.47 to accept the Declaration and Power of Attorney in the above-referenced application, in order to preserve the rights of the Applicants.

A petition under 37 C.F.R. 1.47 must include proof of the pertinent facts relating to the presentation of the application papers to the inventor and the inventor's refusal to sign the application papers. The petition must also be accompanied by (i) the oath or declaration, (ii) the fee set forth in § 1.17(h), and (iii) the last known address of the non-signing inventor.

The party to which the Applicants have agreed to assign the invention have made a *bona fide* attempt to comply with the provisions of 37 C.F.R. §1.47, by attempting to contact the non-signing inventor, Mr. John S. Bambini, in order to execute the application, on multiple occasions. To date, Mr. Bambini has failed to execute the above-referenced

application and return it to the party to which the Applicants have agreed to assign. Therefore, the Applicants petition the Commissioner to accept the Declaration and Power of Attorney in this application, in order to preserve their rights.

Enclosed herewith is a sworn affidavit by Ms. Jodi Hemmeke, a 17-year employee of the party to which the Applicants have agreed to assign invention. The affidavit provides a firsthand account of the circumstances surrounding the presentation of the application papers and of the refusal by Mr. Bambini, in compliance with MPEP §409.03.

The fee set forth in 37 C.F.R. §§ 1.17(h) for filing a petition by other than all the inventors is \$200.00. A credit card payment for this amount was submitted with the petition filed on February 23, 2006 and is not required for submission with this renewed petition.

In compliance with the requirements of 37 C.F.R. §§ 1.47(a), the last known address of the non-signing inventor is as follows:

Mr. John S. Bambini
5490 Brattleboro Dr. SE
Kentwood, MI 49508-6302

The Commissioner is hereby authorized to charge any additional fees, including fees for extensions of time, which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 06-1447. Should no proper payment be enclosed herewith, as by the credit card payment form being unsigned, providing incorrect information resulting in a rejected credit card transaction, or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 06-1447.

- 8) On January 13, 2006, I attempted to contact Mr. Bambini again to inquire whether he had executed the declaration and assignment. I received no response from Mr. Bambini. Attached to the January 13th correspondence was Mr. Bambini’s signed employment agreement. (*See Exhibits C and D.*)
- 9) On February 7, 2006, a certified letter, including the aforementioned patent application, a declaration of inventorship, a power of attorney, and an assignment, was sent with a return-receipt request, to Mr. Bambini’s last known residence . The

letter and all enclosures were returned to sender as "unclaimed." (See Exhibit E, F, and G, which include a copy of the letter, a copy of the return-receipt, and a copy of the face of the envelope.)

10) On June 22, 2006, I resent a declaration of inventorship, a power of attorney, and an assignment to Mr. Bambini via e-mail (at John.Bambini@smiths-aerospace.com). (See Exhibit H.)

John,

Unfortunately, once you are named as an inventor on an application, it is very difficult to remove you. Your NDA with JCI actually obligates you to support anything you worked on while employed (even after your employment ends). If you have any questions or concerns about the process, please let me know.
